UMBC prepared me for my future by:

- Engaging me in a diverse and cooperative community; educating me on real life social issues, and; giving me a network that I will continue to rely on for employment and opportunities.

- Immersing me in cutting edge technology and putting a solid name behind me to reinforce my skill-set and resume.

- Preparing me to be highly competitive among my peers graduating from other institutions, and by increasing my self-confidence.

- Teaching me to start early with my career goals by getting an internship and doing research.

- Providing me with the opportunity to meet and work with inspiring individuals both in and outside the classroom.

- Providing amazing mentors who have helped me get where I am today and have made my undergraduate experience wonderful and successful.
