WHAT EMPLOYERS SAY

"Interns that joined us for this summer semester were of a high caliber, very eager to understand our business and meaningfully contributed wherever they were involved."

— Roscoe van Muylwyk, Senior Manager of Global Workforce Management Solutions
The Hershey Company

"I'm very pleased with the candidates (co-ops and interns) provided by UMBC. The students have positive attitudes and always have solid technical foundations, which allows each candidate to be successful in his/her job."

— Maureen Hirokawa, Apps Development Manager

WHAT STUDENTS SAY

"Every student should use the Career Center when choosing an internship or job. The Career Center works with students to find placements that best match their career interests and works with top employers to give [students] a valuable learning experience."

— Rebecca Postowski, Environmental Studies and Political Science Major
Internships: MD Department of Environment; United States Department of Agriculture (USDA)

"If it wasn't for the Career Center, I would not have had such a successful internship my freshman year. The Career Center provided me with tons of opportunities to network, improve my interviewing skills, and apply to a multitude of programs."

— Jacob Mathew, Information Systems Major
Internship: DC Homeland Security and Emergency Management Agency
