WHAT EMPLOYERS SAY

"All of the UMBC students we've had have been terrific. Each has demonstrated maturity and the ability to take on complex work assignments. I wish I could hire them all!"

— Deborah Bryant, Director of Consumer Support Group Centers for Medicare and Medicaid Services

"There's a reason we keep coming back to UMBC - strong work ethics, extensive technical skills, and great people! We've had many great interns over the years, many of which joined the company as full-time employees and are with us to this day."

— Dan Hood, Chief Technology Officer ClearEdge IT Solutions

student enrollments in professional learning experiences through the Career Center

Internships, Co-ops, and Research

Internships, co-ops, research and student employment are essential pathways to a successful and rewarding career. The Career Center's practicum courses (PRAC) are designed to help students maximize the benefits from these opportunities through reflections, evaluations, and professional skills development workshops.

RECOGNITION

"Thanks to UMBC's amazing Career Center, undergrads here are able to enter the job market with confidence. Starting from freshmen year, the office works to empower students and help them pilot their career goals."
