- 94% are in positions directly related to their career goals.
- 63% previously interned or worked for that organization while at UMBC.

UMBC prepared me for my future by:

**Providing me with the knowledge and skills that will allow me to make a difference in the community and in the lives of my future students.**

**Providing passionate and knowledgeable faculty to create an engaging learning environment where I sharpened my leadership and communication skills.**

**Surrounding me with students and faculty who are serious about learning and bettering themselves.**

**Cultivate a deep sense of intellectual curiosity that I intend to carry with me for the rest of my life.**

**Providing me with school pride which motivated me to network and engage in leadership positions that connected me to individuals who have contributed significantly to my undergraduate success and inspired my future care goals.**

**Showing me how to really push myself and discover new abilities, and passions that I never knew I had.**

**Allowing me to experience such a diverse environment that taught me so much about the real world and the beauty of diversity.**

**Pushing me to explore the world through internships and research. I was in an environment that promoted out-of-the-box thinking, collaboration, and teamwork.**
