WHAT EMPLOYERS SAY

"There is a world of difference in the quality of the partnership with UMBC – timely, diversity of major, and abundance of qualified applicants. It is clear that the Career Center at UMBC does its best to align their students with great employment opportunities."

— James Tzitzouris, Director of Research, Multi-Asset, T. Rowe Price

"UMBC prepares student with the valuable skills and confidence needed to develop a meaningful career. From technical tools and methodologies to professionalism and work ethic, UMBC students come prepared for success!"

— Susan Ruggles, Business Analyst Manager, UPS

student enrollments in professional learning experiences through the Career Center

Internships, Co-ops, and Research

Internships, co-ops, research and student employment are essential pathways to a successful and rewarding career. The Career Center's practicum courses (PRAC) are designed to help students maximize the benefits from these opportunities through reflections, evaluations, and professional skills development workshops.

70%

of all interns reported being paid (FY18)

ON THE ROAD

In addition to bringing companies on campus we also take students on the road to visit employers at their place of business. 2017-2018 site visits included:

Chesapeake Bay Foundation
Cisco Systems
Constellation, an Exelon company
Morgan Stanley
NASA Goddard Space Flight Center
Space Telescope Science Institute

Medifast
Mindgrub
T. Rowe Price
Transamerica
Verbal Beginnings
Volvo Group U.S.
