## UMBC prepared me for my future by:

“Opening my mind to other cultures, ideas, and beliefs, as well as helping me build a foundation of knowledge to carry me through my future career.”

“Providing relevant classes, a great reputation that causes employers to recruit UMBC students specifically, and lots of opportunities to branch out and explore different areas of hobbies, community service, and career.”

“Giving me access to professors that challenged me in two ways: to work hard and dream big.”

“Teaching me that learning is not limited to the classroom. Some of my best UMBC experiences have been in research, internships, student organizations, and volunteer experiences.”

“Putting me in an academically rigorous environment that helped me discover my potential.”
