

WHAT IS HANDSHAKE?

Handshake is a modern platform college recruiting employers can use to post full-time, part-time jobs and internship opportunities. Handshake allows employers to connect with UMBC talent including current students and alumni.

WHAT CAN I DO WITH HANDSHAKE?

Handshake is a one-stop shop for recruitment at UMBC. It allows you to:

- **Post your opportunities** – Employers can target their desired UMBC demographic while posting their jobs, internships, co-op, and research positions in Handshake.
- **Search UMBC's resume database** – Filter student profiles to find your target audience and reach out to them directly – encourage top candidates to apply for your open opportunities or attend your upcoming recruiting events.
- **Manage applications** – Students and alumni can apply to your opportunities directly in Handshake.
- **Promote in-person and virtual recruitment events your company organizes** – Once your event is posted in Handshake and the request to promote your event at UMBC is approved, the event will be visible to UMBC students and alumni.
- **Request an on-campus recruiting event** – We offer information tabling, we reserve space for in-person information sessions, and have space available for in-person interviewing on campus. For questions, please contact UMBC's Recruitment Coordinator, Anna Pittinger, at 410-455-3906 or via email at annap5@umbc.edu.
- **Register for UMBC Career Center organized recruiting events** – You can receive email announcements informing you of the latest recruiting opportunities and be the first to know when registration for these events open. These include our Fall and Spring Career & Internship Fairs, Diversity Recruitment Event, industry-based boutique fairs, among others. For a full list of upcoming recruiting opportunities, please visit our [Career Fairs and Events](#) page.

Instructions on how to complete the above tasks can be found in the "Helpful Resources" section at the bottom of this page.

IS THERE A COST TO HANDSHAKE?

There is no cost to use Handshake to connect with UMBC talent.

HOW DO I GET STARTED?

You can find full instructions on creating an account, connecting an existing account with UMBC, and posting your positions [HERE](#).
