UMBC PREPARED ME FOR MY FUTURE BY:

“Providing excellent mentorship and guidance as I navigated my four years here. The opportunities that are available at UMBC are unmatched. I feel academically prepared for the next step in my career, and am grateful that I built a support system that I can rely on for years to come.”

“Helping me to validate, nurture, and strengthen my reflection skills, which enabled me to have a clear sense of what I wanted my professional life to look like and what contributions I wanted to make through my career.”

“Giving me the tools to think critically and providing numerous opportunities to learn about grad school and the processes involved, as well as other services like career exploration and development. My time at UMBC has been a positive one and one that I will carry with me with pride.”

“Helping me network with organizations and people in my field. It has also been extremely helpful to learn from professors that have worked in different industries. The professors gave us a larger idea of where our degrees can take us.”

“Rigorous coursework, supportive faculty, and plentiful undergraduate research opportunities.”

“Giving me plenty of opportunities to try new things and gain leadership and work experience. I was also surrounded by a lot of motivated and hardworking peers who pushed me to work hard.”
