## UMBC PREPARED ME FOR MY FUTURE BY:

“Providing me with the knowledge and credentials to attain my career goal. I was able to secure multiple interviews and job offers.”

“Fostering a welcoming environment with countless research opportunities and funding. The faculty were highly supportive, along with organizations centered around the advancement of First-Generation college students. The fundamental lessons in research, community engagement, and embracing diversity fueled my passion for learning as I prepare to pursue my Ph.D. this Fall.”

“Offering amazing professors who encouraged hard work and perseverance. I also benefited from extensive networking opportunities that facilitated my graduate school applications and connected me with job prospects.”

“Giving me exposure to real time projects where I honed my skills. UMBC’s rich cross-cultural environment enhanced my communication skills and broadened my perspective on problem-solving. These experiences have made me more confident in collaborating with people from diverse backgrounds, a crucial aspect for success in industrial leadership roles.”

“Offering excellent support through my education and guiding me into and through a great internship. These led me to many opportunities for growth and employment connections!”
